

Item	Description	✓	?	✘	Comment	Check
<b>1.</b>	<b>Overall drawings and circuit diagrams</b>					
1.1	Overall drawing of machine (GA)					
1.2	Electrical circuit/wiring diagram					
1.3	Pneumatic circuit diagram					
1.4	Hydraulic circuit diagram					
1.5	Process flow diagram (P&ID)					
1.6	Machine block diagram					
1.7	Labelling layout drawing					
<b>2.</b>	<b>Detailed Design information</b>					
2.1	Mechanical parts list					
2.2	Mechanical part drawings					
2.3	Electrical parts list					
2.4	Hydraulic/pneumatic parts list(s)					
2.5	Component data sheets					
2.6	Component declarations of conformity					
2.7	Component type approval certificates					
2.8	Safety distance calculations					
2.9	Printed circuit board drawings					
2.10	Control panel layout drawings					
2.11	Warning label drawings					
2.12	Rating/data plate label drawings					
2.13	PLC program flow chart or operational logic description					
2.14	MSDS/COSHH data sheets
