

**Course title:****The new Machinery Directive****Date:****27 January 2010****Location:****Great Hucklow, Buxton, Derbyshire****Purpose:**

This course is for people who already know about CE marking under the Machinery Directive 98/37/EC but want to update their knowledge to ensure they know what they need to do to comply with the new Directive 2006/42/EC after it comes into force on 29 December 2009.

**Format:**

Single full day in four sessions with accompanying takeaway information pack. During the day, we will focus on the changes to the scope of the Directive, risk assessment, the new requirements for partly completed machinery, lifts, and the procedures for Annex IV machines. We'll also take a look at the new control system reliability standard, EN ISO 13849

10:00	Welcome and introduction
10:15 - 11:15	Changes to the scope, relationship with other directives, procedures for Annex IV machinery
11:15 - 11:30	Coffee break
