

CE and UKCA Marking Electrical Equipment (CE08)

This course will explain the requirements for CE and UKCA marking all types of electrical equipment, from industrial plant to domestic items.

Topics covered:

- Electrical safety and EMC
- Low Voltage Directive
- Radio Equipment Directive
- Identifying and applying standards
- Testing and assessment
- Environmental requirements – EcoDesign, WEEE, RoHS, REACH
- Technical documentation, declarations and certificates

Who should attend?

Anyone who needs an understanding of the CE marking requirements for electrical products: product designers, managers, importers, purchasers, and quality managers. Attendees are expected to have a basic understanding of what CE and UKCA marking is before they attend. Please see our Introduction course as a prerequisite.

Cost: £299 + VAT per person for a single half day course.

Book online at <https://shop.conformance.co.uk> or by phone on +44 (0)1298 873800.
